President's Remarks

- We are required to replace and fill the positions of Vice President and Member-at-Large in April. While Judy Hunt has volunteered to take on the task of calling on members to volunteer, Catherine stressed that the club will hold its last meeting next month if no one steps forward. The Member-at-Large is responsible for programming and corporate discounts. The VP is responsible for overseeing the ski trips and their respective finances. It's a position that requires a detail-oriented person with good math skills
- The executive has changed every 2 years since 1988 and a large number of members have served on the executive, often more than once. Brian Hart asked for members to stand who have served on the executive and half the room stood up.
